

Lab ID card

Lab name	Human Physiology Laboratory	Lab room number	1083
Doctor's name	Tarek Benameur	Contact number	IP.7823
Email	tbenameur@kfu.edu.sa		
Doctor's name	Arif Mohyudin	Contact number	IP.7807
Email	drdeen57@hotmail.com		
Doctor's name	Shuja Kazi	Contact number	IP.7814
Email	drshujakazi@gmail.com		
Name of the technicians in charge	Abdulrazag Alwabary	contact number	IP.
Email	aalwabarey@kfu.edu.sa		
Lab technicians	Ibrahim Alsaqer Samar Alhamad Nourah Almulhim	contact number	IP.7765 IP. IP.
Email	<u>ibalsaqer@kfu.edu.sa</u> <u>salhamad@kfu.edu.sa</u> <u>nalmulhim@kfu.edu.sa</u>		
Brief information about the lab	Human physiology lab equipments are suitable for performing experiments and developing the necessary skills to examine and interpret organ function related to physiology from an evidence-based perspective. Make connections between the knowledge of human physiology and real-world problems involving human health and medicine.	The regular capacity of the laboratory	40 students
		The capacity of the lab with social distancing	28 students
