

Dr. Abdulaziz Abdulrahman Al-Humam

Job Title:	Assistant Professor
Office Phone Number:	0135899203
E-mail :	aahumam@kfu.edu.sa
Department :	Computer Science -
Office Number :	CS1119
Qualification:	PhD from University of York
Professional Association:	
Professional Certificates:	<ul style="list-style-type: none"> IEEE Member ACM Member Saudi Computer Society European Industrial Computer Systems linked by supervise the manufacture of Airbus aircraft France –Toulouse Medical Cyber Physical Systems Berlin – Germany York Doctoral Symposium on Computing York-UK High-Integrity Systems Engineering (HISE) York University – UK
Research Area:	<ul style="list-style-type: none"> Technology Innovation and Software Engineering Model-driven engineering Requirements Engineering Self-adaptive Software Systems Software Reuse and service-based systems. Cloud Computing Service-Oriented Architecture Requirements Engineering for Self-adaptive Software Systems Assurance and certification of safety-critical systems engineering
Research Projects:	
Projects Under Supervision:	
Courses Taught at KFU:	<ul style="list-style-type: none"> Introduction to Computing Software Engineering Programming in C Language Object Oriented Programming I Object Oriented Programming II Selected Topics in CS Project Proposal Project Implementation Practical (Co-op) Training
