**Total Credit Hours: 77**

#### Internship Period

On successful completion of the courses outlined in the above five semesters, the intern spends a period of 6 months to apply and reinforce the learning experience obtained through these five semesters. The intern spends forty working hours per week in the following areas:

|                     |                |
|---------------------|----------------|
| Dental Clinics:     | 12 weeks       |
| Operating room:     |                |
| (Oral Surgery)      | 6 weeks        |
| Dental Hygiene Unit | 3 weeks        |
| Denture lab:        | <u>3 weeks</u> |
|                     | 24 weeks       |
