

Curriculum Vitae

Prof. Dr. Wael M. El-Deeb

*Professor of Medicine, Clinical and Laboratory
Diagnosis*

Current address

*Department of Clinical Studies
College of Veterinary Medicine
King Faisal University, KSA*

Permanent address

*Faculty of Veterinary Medicine
Department of Internal Medicine and Infectious
Diseases
Mansoura University
Egypt*

drwaeleldeeb@yahoo.com

ORCID iD: orcid.org/0000-0003-2451-296X

Personal Information

Name	Wael Mohammed Abou El-Makarem El-Deeb http://scholar.google.com/citations?user=BOND2pcAAA&hl=en ORCID iD: orcid.org/0000-0003-2451-296X	
Faculty	Veterinary Medicine	
Present Position	Professor	
Gender	Male	
Date of Birth	20-11- 1974	
Place of Birth	Dakahlia-Egypt	
Nationality	Egyptian	
Residence Address	Department of internal medicine & infectious diseases, Faculty of veterinary medicine, Mansoura University, Mansoura, <i>Egypt</i> / Department of clinical studies , College of Veterinary Medicine and Animal Resources, King Faisal University, <i>Saudi Arabia</i> .	
Martial Status	Married	
E-mail	drwaeleldeeb@yahoo.com & drwaeleldeeb@hotmail.com	
Office Tele	0020502030906	00966035816600-2103
Home Tele		
Mobile Tele	009660509296154	00201005709594
Fax	00966035816635	
Languages		
Language	Arabic	
Reading	High	
Writing	High	
Speaking	High	
Language	English	
Reading	High	
Writing	High	
Speaking	High	
Academic and Administrative Positions		
Job	Demonstrator of internal medicine Dept. of Animal Medicine	
School/University	Zagazig University	
City	Zagazig	

Country	Egypt
Start Date	20/5/1998
Finished Date	16/11/2001
Job	Assistant lecturer of Internal Medicine
School/University	Zagazig University
City	Zagazig
Country	Egypt
Start Date	16/11/2001
Finished Date	31/8/2002
Job	Assistant lecturer of Internal Medicine
School/University	Mansoura University
City	Mansoura
Country	Egypt
Start Date	1/9/2002
Finished Date	25/12/2005
Job	lecturer of Internal Medicine
School/University	Mansoura University
City	Mansoura
Country	Egypt
Start Date	26/12/2005
Finished Date	25/12/2010
Job	Assistant professor of internal medicine
School/University	King Faisal University
City	AL-Ahsa
Country	Saudi Arabia
Start Date	4/10/2009
Finished Date	
Job	Associate professor of internal medicine
School/University	King Faisal University
City	AL-Ahsa
Country	Saudi Arabia
Start Date	26/12/2010
Finished Date	26-12-2015
Current Affiliation	Professor Of Internal Medicine, Clinical and Laboratory Diagnosis

Publications and Research Activities

1. Youssef M. and El-Deeb WM. 2007. Ultrasonographic Renal Changes Associated With Hydronephrosis In Dogs: An Experimental Study. International symposium, Faculty of veterinary medicine, Mansoura University, **Mansoura Vet. Medical Journal**.
2. Youssef M, El-Deeb WM. 2007. The Role of Roughage, Acid Base Balance and Blood Gases in the Prognosis of Large Intestinal Impaction in Horse. International symposium, Faculty of veterinary medicine, Mansoura University, **Mansoura Vet. Medical Journal**.
3. El-Deeb WM., and Younis E., 2009. Clinical and Biochemical Studies on *Theileria Annulata* in Egyptian Buffaloes (*Bubalus bubalis*) with Particular Orientation to Oxidative Stress and Ketosis Relationship. **Veterinary Parasitology**, Volume 164, Issues 2-4, 14 October 2009, Pages 301-305
4. Yonis E. and El-Deeb WM. 2009. Epidemiological and Biochemical Studies On Bovine Anaplasmosis with Evaluation of Endemic Situation in Dakahlia and Dametta Governorates in Egypt. **Bulletin of Animal Health and Production in Africa**, (2009), Volume 57, 297-309
5. El-Deeb WM. 2009. Correlation between zinc deficiency and the efficacy of immune status in sheep. 24th Conference, Saudi Biological society, Al-Madina Al-Mounawara, KSA. 7-9 April 2009.
6. El-Deeb. 2010. Ascorbate-Glutathione Affiliation and Their Role in the Treatment of Nutritional Muscular Dystrophy in Lambs with Special References to Oxidative Stress. **International Journal of Cercetări Agronomice în Moldova** Vol. XLIII , No. 2 (142) / 2010

Conferences activities:

1. **El-Deeb WM.** 2015. Acute phase proteins as biomarkers of urinary tract infection (UTI) in dairy cattle XIII International conference on animal science and veterinary medicine, **Paris, France** (ICASVM 23-24-2-2015).
2. **El-Deeb WM.** 2015. A novel investigation of cardiac troponin I and oxidative stress markers in camels infected with *Trypanosoma evansi*: Diagnostic and prognostic prominence. Proceeding of the 30th annual meeting of the *Saudi Biological Society*, Tabouk, Saudi Arabia, 7-9 April 2015.
3. **El-Deeb WM.** 2014. Recent advances in Equine Rhabdomyolysis in Arabian horse: Proinflammatory cytokines and Oxidative stress markers. European Veterinary Conference **Voorjaarsdagen, Amsterdam, Netherlands**, 17-19 April 2014.
4. Youssef M and **El-Deeb WM.** 2014. Investigation of Oxidant-Antioxidant Equilibrium in Experimentally Induced Diabetes Mellitus in Dogs with Particular Orientation to the Effects of Antioxidant Therapy. Eighth International Conference of Mansoura University, Egypt and **Hannover University, Germany**.
5. Olimpia J. **El-Deeb WM.** Solcan G. 2014. Parasite Burdens In Carpathian Goats in Romania and Associated Hematological and Biochemical Parameters. European Regional Conference on Goats (ERCG), **Debrecen, Hungary**.
6. **El-Deeb WM.** 2014. Investigation of Bacterial Diarrhea in Camel-Calves (*Camelus dromedarius*): Clinical and Bacteriological Study. International

conference of faculty of veterinary Medicine, Iasi, Romania. Lucr. St. USAMV Iasi Med Vet series.

7. El-Deeb WM. 2014. Investigation of Bacterial Mastitis In goats with precise orientation to negative energy balance relationship. International conference of faculty of veterinary Medicine, Iasi, Romania. *Lucr. St. USAMV Iasi Med Vet series.*

8. El-Deeb, WM. 2014. Recent advances in equine Rhabdomyolysis in Arabian horses. Proceeding of the 29th annual meeting of the *Saudi Biological Society*, Dammam, Saudi Arabia, 25-27 February 2014.

9. El-Deeb WM. 2013. Clinical and biochemical investigation of Liver Abscesses Syndrome in Dromedary Camels: Oxidative stress markers and Proinflammatory cytokines. International conference of animal and dairy science Lass Vegas, USA. "**Member of the organizing committee** and invited speaker via on line conference network. 2013.

10. El-Deeb, WM. 2013. Clinical and Biochemical investigation of pneumonic pasteurellosis in sheep. . Proceeding of the 28th annual meeting of the *Saudi Biological Society*, Hael, Saudi Arabia, 9-11 april, 2013.

11. El-Deeb, WM. 2013. Conference of Sustainability of Camel Population and Production (CSCPP) 17-20 Feb 2013, Al-Ahsa, Saudi Arabia

12. El-Deeb WM. 2011. The Diagnostic and Prognostic Value of Peritoneal Fluid Analysis in Colic in Arabian horse. International conference of faculty of veterinary Medicine, Iasi, Romania. *Lucr. St. USAMV Iasi Med Vet series no. 53/2011.*

13. Bakhsh AA and El-Deeb WM. 2011. Camel Urine and Milk in Arab Heritage (Folk Medicine). 23rd Veterinary Association Malaysia 2011. 23 – 25 September 2011.

- 14. El-Deeb, WM. 2012.** Clinical and biochemical investigation of pneumonia in sheep. Saudi Biological Society. Gazan University, Saudi Arabia, 6-8 March.
- 15. Bakhsh AA and El-Deeb WM. 2010.** Psoriasis like Disease in Camels in Saudi Arabia: Nutritional and Therapeutical Approach. XXV1 World Buiatrics Congress 2010, Santiago, Chile.
- 16. El-Deeb WM. 2010.** Relationship between occurrence of respiratory troubles and levels of antioxidants in horse. 25th Conference, Saudi Biological society, Nanotechnology in life science 11-13/5/2010 King Faisal University.
- 17. El-Deeb WM and Fouda T.** 2009. Correlation between zinc deficiency and the efficacy of immune status in sheep. 24th Conference, Saudi Biological society, Al-Madina Al-Mounawara, KSA. 7-9 April 2009.
- 18. El-Deeb WM. 2009.** Clinical and Biochemical Studies on *Theileria Annulata* in Egyptian Buffaloes (*Bubalus bubalis*) with Particular Orientation to Oxidative Stress and Ketosis Relationship. International conference of Faculty of Veterinary Medicine, Iasi, Romania. "Progress and prospective in Veterinary medicine"
- 19. El-Deeb WM. 2009.** Clinical and biochemical investigation trace element deficiency in sheep with particular orientation to the immune status. The sixth international conference of the faculty of veterinary medicine, Mansoura University and Teramo University Italy. 2009.
- 20. Youssef M. and El-Deeb WM. 2007.** The Role of Roughage, Acid Base Balance and Blood Gases in the Prognosis of Large Intestinal Impaction in Horse. International symposium, Faculty of veterinary medicine, Mansoura University, Egypt.
- 21. Youssef M., El-Deeb WM, El-Khodary S.** 2007. Ultrasonographic Renal Changes Associated With Hydronephrosis In Dogs: An Experimental Study. International symposium, Faculty of veterinary medicine, Mansoura University, Egypt.

23. El-Deeb WM. 2005. Clinical and biochemical investigation of equine colic. The fourth international conference of the faculty of veterinary medicine, Mansoura University and Teramo University Italy.

24. El-Deeb WM. 2003. Clinical and immunological studies on trace element deficiency in sheep. The third international conference of the faculty of veterinary medicine, Mansoura University and Roma University Italy.

Research Projects

- 1.** Principal Investigator in the project entitled "Acute phase proteins as an advanced tool for diagnosis of respiratory diseases in camel-calves (*Camelus dromedarius*) financially supported by the Deanship for Research, King Faisal University, Kingdom of Saudi Arabia. 2009
- 2.** Principal Investigator in the project entitled "Correlation between musculoskeletal disorders and stress markers in camels (*Camelus dromedarius*). Financially supported by the Deanship for Research, King Faisal University, and Kingdom of Saudi Arabia. 2009.
- 3.** Coauthor in the project entitled "Clinical and biochemical investigation of the transition period in cows. Financially supported by the Deanship for Research, King Faisal University, Kingdom of Saudi Arabia. 2009.
- 4.** Associate PI in the project entitled "Evaluation of Acute Phase Response and its Diagnostic importance in Cases of Rhabdomyolysis in Arabian Horses. 2010.
- 5.** Coauthor in the project entitled "Clinical and biochemical investigation of *Trypanosoma evansi* in camels with special reference to oxidative stress markers. Financially supported by the Deanship for Research, King Faisal University, Kingdom of Saudi Arabia. 2010.
- 6.** Principal Investigator in the project entitled "The Diagnostic Importance and Immunologic indications of pro-inflammatory Cytokines In some diseases causing importunate diarrhea in Dromedary Camel in Saudi Arabia". Financially supported by the Scientific Research Deanship, King Faisal University, Kingdom of Saudi Arabia. 2011-2012.

7. Associate PI in the project entitled "Field survey on the diseases causing infertility of camels in the eastern region of kingdom of Saudi Arabia. Financially supported by the Scientific Research Deanship, King Faisal University, Kingdom of Saudi Arabia. 2011-2012.
8. Associate PI in the project entitled "Clinical, epidemiological and laboratory investigation in neonatal calves and lambs mortalities with reference to prevention and control measures. Financially supported by the King Abd Al-Aziz City for Science and Technology, Kingdom of Saudi Arabia. 2012.
9. Associate PI in the project entitled " "Abdominal Ultrasonography in Healthy and Diseased Camels" Financially supported by the Deanship of Scientific Research, King Faisal University, Kingdom of Saudi Arabia. 2012-2013.
10. Associate PI in the project entitled Clinical, epidemiological and Molecular studies on pneumonic mycoplasmosis in sheep and goats in Saudi Arabia. Funded by: *King Abd Al-Aziz City for Science and Technology, Kingdom of Saudi Arabia. 2014.*
11. Associate PI in the project entitled diseases causing nervous manifestation in sheep with special reference to oxidative stress markers. Financially supported by the Scientific Research Deanship, King Faisal University, Kingdom of Saudi Arabia. 2014.
12. Principal Investigator in the project entitled "Epidemiological and Genetic Studies on Clostridial Enterotoxaemia in Sheep and Goats in Eastern region of Saudi Arabia". Financially supported by the Deanship of Scientific Research, King Faisal University, Kingdom of Saudi Arabia. 2017
13. Associate PI in the project entitled "Study of contribution of biomarkers to Equine gastric ulcer syndrome (EGUS). Financially supported by the Deanship of Scientific Research, King Faisal University, Kingdom of Saudi Arabia. 2017
14. Associate PI in the project entitled "A Randomized Controlled Clinical Trial on the Efficacy of decoquinate against Coccidiosis in Camel-Calves" Financially supported by the Deanship of Scientific Research, King Faisal University, Kingdom of Saudi Arabia. 2017.
15. PI of the research group:
"Emerging infectious diseases in farm animals: Clinical, Biochemical, Epidemiological and Molecular studies. Deanship of Scientific Research, King Faisal University, Kingdom of Saudi Arabia. 2017.
16. Associate PI in the project entitled "Foot and mouth disease in KSA, Trials for vaccine production, funded by MEVAC Company.

17. Scientific consultant for the project entitled "Molecular and genome-based anti-camel Trypanosoma drug targets discovery" Funded by KACST. 2018.

Current research activities

- ✚ Acute phase proteins as an advanced tool for diagnosis of respiratory diseases in Farm animals.
- ✚ Oxidant-Antioxidant status in farm animals in relation to different diseases.
- ✚ Disease biomarkers.
- ✚ Acute phase proteins and respiratory affections in Farm animals
- ✚ Musculoskeletal affections in Horses and camels
- ✚ Colic in horses
- ✚ Strangles in horses
- ✚ Cardiopulmonary markers.
- ✚ Blood parasites in horses, Ruminants.
- ✚ Methicillin resistant *staphylococcus aureus*
- ✚ Epidemiological and Genetic Studies on Clostridial Enterotoxaemia.
- ✚ Poor performance in racing horses.
- ✚ Disease biomarkers
- ✚ Emerging Infectious diseases in farm animals
- ✚ Trials for vaccine production for contagious caprine pleuropneumonia in goats.
- ✚ Trials for vaccine production for Foot and Mouth Disease in KSA

International Membership, Reviewer and Editorial activities

Editorial Board member in the following international journals:

1. **Editorial board of** *Journal of Veterinary Science & Technology*, Los Angeles, USA.
2. **Consulting Editor** of the journal "*Veterinary Medicine: Research and Reports*. Dove Medical Press, [United Kingdom www.dovepress.com](http://www.dovepress.com) - open access to scientific and medical research, Willy and sons.
3. Editorial board of *Virology and mycology Journal*, USA.
4. **Editor-in-chief** of *Journal of Clinical and Diagnostic Pathology*, USA.

5. Scientific and Technical Committee & Editorial Review Board Member of World Academy of Science, Engineering and Technology. PO Box 982, Riverside, Connecticut, CT 06878, USA
6. Editorial board of "American Journal of Zoological Research" USA.
7. Editorial board of "International Journal of Veterinary Health Science & Research (IJVHSR), USA.
8. Editorial board of *Animal and Veterinary Sciences Journal*, Science PG, USA.
9. Editorial board of "Research Journal of Veterinary Sciences" USA.
10. Lead Guest Editor Animal and Veterinary Sciences Journal, Science PG, USA.
11. Editorial board of "Current Research in Dairy Sciences" USA.
12. Editorial board of "Asian Journal of Animal Sciences" Malaysia.
13. Editorial board of "Research Journal of Immunology"
14. Editorial board of "Asian Journal of Animal and Veterinary Advances" USA.
15. Editorial board of EC Microbiology USA.
16. Scientific consultant for Zoetis pharmaceutical company (Pfizer, USA) company in the KSA.

Peer Reviewer In the following international journals:

1. Peer Reviewer in the Journal of *"Cytokines-Elsevier"*
Impact factor: 2.9
2. Peer Reviewer in the Journal of *"Small Ruminant Research"* USA.
Impact factor 1.2
3. Peer Reviewer in the *"Journal of Veterinary Clinical Pathology"* The official journal of the American Society for Veterinary Clinical Pathology and the European Society of Veterinary Clinical Pathology" "USA" Impact factor 1.3
4. Peer Reviewer in the Journal of *"Tropical Animal Health and Production"* University of Edinburgh (Springer link)
Impact factor 1.01
5. Peer Reviewer in the Journal *BMC Veterinary research*, USA,
Impact factor 1.8
6. Peer Reviewer in the *"International journal of Natural Science, Biology and Medicine"*, Ireland.

7. Peer Reviewer in the *International journal of Comparative Clinical Pathology*, Germany. (Springer link).
8. Peer Reviewer in "[Polish Journal of Veterinary Science](#)" *The Journal of Committee of Veterinary Sciences of Polish Academy of Sciences and University of Warmia and Mazury in Olsztyn*.
9. Peer Reviewer in [The journal Veterinarski arhiv](#), University of Zagreb, Faculty of Veterinary Medicine, 10000 ZAGREB, Heinzelova 55, CROATIA.
10. Peer Reviewer in [Macedonian Veterinary Review](#), International Scientific Journal of the Faculty of Veterinary Medicine –Skopje, R. of Macedonia.
11. Peer Reviewer in the "*International Journal of Pharmacognosy and Phytotherapy*", USA.
12. Peer Reviewer in the *Journal of Buffalo science* "Lifescience global publisher"
13. Peer Reviewer in "*Reports in Parasitology*" published by Dove Medical Press journals. USA, UK, New Zealand,
14. Peer reviewer in "*Veterinary Medicine: Research and Reports*" published by Dove Medical Press journals. USA, UK, New Zealand
15. Peer reviewer in the "*E3 Journal of Medical Research*" EJMR"
16. Peer reviewer in the "*International Journal of Medicine and Medical Sciences*"
17. Peer Reviewer and expert in the "*Asian Pacific Journal of Tropical Biomedicine*" "China"
18. Peer Reviewer in the "*Journal of medicine and medical science (JMMS)*" China
19. Peer Reviewer in the "*Open Veterinary Journal*, Tripoli, Libya.
20. Peer Reviewer in the "*African Journal of Biotechnology*"
21. Peer Reviewer in the "*African Journal of Biotechnology*"
22. Peer Reviewer in "*Science and Education Publishing*".
23. Peer Reviewer in "*Open Veterinary Journal*".
24. Peer Reviewer in the "*Iranian Journal of Veterinary Research*"
25. Peer Reviewer in the "*Veterinaria Italiana journal*" Teramo, Italy. Impact factor 0.7

26. Peer Reviewer in "Research Opinions in Animal & Veterinary Sciences (ROAVS)
27. Peer Reviewer in the Journal of Arid Environments, Elsevier.
28. Scientific and Technical Committee & Editorial Review Board Member of World Academy of Science, Engineering and Technology. PO Box 982, Riverside, Connecticut, CT 06878, USA.
29. Peer Reviewer in Proceeding of natural academy of Science, Biological science (NASB). Springer.
30. Peer Reviewer in "Journal of Veterinary Science & Animal Husbandry" (JVSAH).
31. Peer Reviewer for KACST, KSA.
32. Peer Reviewer for Deanship of Scientific research, KSA
33. Peer Reviewer for Al-Marai Award for Veterinaruian and member of the scientific committee KSA.
34. Peer Reviewer for Deanship of student affairs
35. External reviewers' for Student annual conference KSA.

Workshops and training courses for the Educational Development:

- | | |
|-----|--|
| 1. | Thinking skills |
| 2. | Methods of scientific research |
| 3. | Effective communication skills |
| 4. | Ethics and professional ethics |
| 5. | Teaching for large and small groups |
| 6. | Managing time and work pressures |
| 7. | The decision-making and problem-solving |
| 8. | Teaching technology |
| 9. | Methodology of the design decision |
| 10. | Financial and legal aspects of the university |
| 11. | Quality standards in the learning process |
| 12. | Time management and meetings |
| 13. | Workshop of the Research Development and Innovation Programme entitled "FP7 Information Day 3rd Call for FP7-Cooperation proposals" Mansoura University. |

14.	Ultrasonography of liver in camel "organized by Leipzig university and camel research center"
15.	Development strategy of the scientific research of the University for the next ten years (King Faisal University)
16.	Echocardiographic Examination in the Camel organized by Leipzig university and camel research center" (9-3-2011 to 1-4-2011)
17.	Workshop on Quality assurance and program evaluation. 27-11-2011, King Faisal University.
18.	Training course on "Integrating Thinking Skills" 1-3/1/2012, King Faisal University.
19.	Workshop on " Learning out comes " (The program planning, delivery and evaluations). 7-2-2012. King Faisal University, Saudi Arabia.
20.	Workshop on " Faculty evaluation and peer review " 4/3/2012. King Faisal University.
21.	Workshop on " Day One Skills " 16/10/2012, King Faisal University. "Main Speaker and Organizer of the Workshop"
22.	Training course on " <i>Web Page Design using FrontPage</i> ". 15-16/10/2012. King Faisal University.
23.	Training course on " <i>Quantitative research SPSS program</i> ". 5-6/11/2012. King Faisal University
24.	Workshop entitled " <i>Develop research capacity in Saudi Arabia</i> " 5/12/2012. "QudraTech" Organized by KACST and King Faisal University.
25.	Training program entitled " <i>Writing Successful Research grant Proposals</i> " Organized by King Faisal University The trainer was Prof. Dr. Robert Porter "Director of Development Research at the University of Tennessee USA" 15-16 /12/2012.
26.	Training program entitled " <i>Measuring student learning</i> " Organized by King Faisal University The trainer was Prof. Dr. Ronald L. Jacobs, University of Illinois, USA" 12-13 /1/2013.
27.	Workshop entitled " <i>Day One skills</i> " Organized by college of veterinary medicine, King Faisal University, 2013

28.	Training program entitled "Advances in Equine Medicine" Organized by college of veterinary medicine & Deanship of academic development, King Faisal University, 2013 "Trainer"
29.	Training program entitled "Day One Skills" Organized by college of veterinary medicine, King Faisal University, 2014 "Trainer"
30.	Training program entitled "Managing research team" 20-21/7/2014
31.	Training program entitled "Excel 2010 " Organized by Deanship of academic development, King Faisal University, 4-5/11/2014
32.	Training program entitled "Learning outcomes " Organized by Deanship of academic development, King Faisal University, 11-12/11/2014
33.	Training program entitled "International criteria for community engagement" 23-24/11/2104
34.	Training program entitled " Educational technology " 16-17/12/2014
35.	Training program entitled "Strategic planning application in higher education" 21-22/12/2014
36.	Training program entitled "Effective teaching strategy" 30-31/12/2014
37.	Workshop entitled " Quality management system applications 9-10/3/2015
38.	Training program entitled "How is the training package" 14-15/4/2015
	Training program entitled "Creative teaching : an integrated system for the outputs of the perpetrator" 13-15/5/2015
39.	Training program entitled "Prezi presentation" 22-23/5/2015
40.	Training program entitled "Basics of Photoshop and photo treatment" 11-12/10/2015
41.	Training program entitled " The way to innovation: step by step" 8-9/11/2015
42.	Training program entitled "Microsoft word for scientific purposes" 19-30/11/2015.

43.	Training program entitled " Arbitration scientific research: skills and global standards " 6-7/12/2015
44.	Training program entitled "TOT" 2016
45.	Training program entitled " Skills in Scientific publishing (Trainer); 5-6/12/2016
46.	Training program entitled " Transboundary Diseases " (Trainer) 8-9/12/2016.
47.	Training program entitled: Skills of Scientific publishing , Deanship of scientific research, KFU, April 2017 (Trainer)
48.	Training program entitled: Skills of Scientific writing , Saudi Digital Library 2017 (Trainer)
49.	Training program entitled: Skills of Scientific publishing , Saudi Digital Library 2017 (Trainer)
50.	Training program entitled: How to write a research proposal , Saudi Digital Library 2017 (Trainer).
51.	Training program entitled " Learning outcomes and methods of Measurement " 30/7/2018
52.	Training program entitled " Course Design " 1/8/2018
53.	Training program entitled " Faculty member as a leader-Manger: Essential leadership and management skills " 2/8/2018
54.	Training program entitled " Developing the Entrepreneurial Mindset of students " 6/8/2018
55.	Training program entitled " sheep diseases " 16-20/9/2018
56.	Training program entitled " Diagnosis of animal and poultry diseases by ELISA techniques " 4-7/11/2018
57.	Training program entitled " Recent advances in equine medicine and reproduction " 14-18/10/2018.
58.	Training program entitled : Challenges facing small ruminants industry " 11-15/11/2018
59.	Training program entitled " Practical Equine Endoscopy (Endoscopy of Gastrointestinal, Urogenital and Respiratory Tract) , 20-24/1/2019
60.	Training program entitled " Essential clinical skills for veterinary practitioner " 17-21/2/2019

Environmental and Social Activities

✂ Sharing in all veterinary Convoys organized by the faculty of veterinary medicine and Mansoura University (2002-2009). *Fifty nine Veterinary Convoys*

✂ TV program on Al-Bader TV for the veterinary and medical intervention in cases of Swine influenza infection (2009).

✂ Sharing and participation in the 1st scientific meeting organized by the faculty of veterinary medicine (Community and Environmental Development sector), Mansoura University 1999

✂ Sharing and participation in the 2nd scientific meeting organized by the faculty of veterinary medicine (Community and Environmental Development sector), Mansoura University entitled “sheep diseases” 1999

✂ Sharing and participation in the 4th scientific meeting organized by the faculty of veterinary medicine (Community and Environmental Development sector), Mansoura University entitled “poultry diseases” 2002

✂ Sharing and participation in 1st scientific meeting organized by the faculty of veterinary medicine (Community and Environmental Development sector), Mansoura University entitled “Avian influenza” in 2005

✂ Sharing and participation in scientific meeting organized by the faculty of veterinary medicine (Community and Environmental Development sector), Mansoura University entitled “lumpy skin disease” in 2005

✂ Sharing and participation in 2nd scientific meeting organized by the faculty of veterinary medicine (Community and Environmental Development sector), Mansoura University entitled “Avian influenza” in 2006

- ✎ Sharing and participation in 11th scientific meeting organized by the faculty of veterinary medicine (Community and Environmental Development sector), Mansoura university entitled "Avian influenza" in 2008
- ✎ Sharing and participation in first scientific meeting organized by the faculty of veterinary medicine (Community and Environmental Development sector), Mansoura university entitled "swine influenza, disease transmitted between animal and human" 2009.
- ✎ Sharing and participation in the medical supervision Of Camels sharing in Camel Race in Saudi Arabia 2010.
- ✎ Sharing and participation in the Saudi Project for utilization of Hajj Meat managed by "*Islamic Development Bank*" 2011.
- ✎ Veterinary consultant at Veterinary Teaching Hospital, King Faisal University, from 2010-till now.
- ✎ TV program on Alee TV and transmitted to other Satellite 19-3-2015 regarding Pet animals' diseases and management.
- ✎ Training program entitled : Important sheep diseases with Ministry of Agriculture 2016
- ✎ Training program entitled : Important camel diseases with Ministry of Agriculture 2016
- ✎ Training program entitled : Important sheep diseases with Ministry of Agriculture 2017
- ✎ Training program entitled : Transboundary diseases: Diagnosis and control, Al-Hasa Municipality, Ministry of Agriculture 2016
- ✎ Lecture on BRDC in feedlot calves 2017
- ✎ Lecture on "Challenges of Cattle Breeding 2017

Committee Work and Administrative Responsibilities

☒ Member of the internal medicine and infectious diseases board, Faculty of Veterinary Medicine, Mansoura University, Egypt (2005-2010)

☒ Member of the Faculty examination committee (Faculty of Veterinary Medicine, Mansoura University, Egypt; 2005-2010)

☒ Member of the Faculty Quality assurance and accreditation committee (Faculty of Veterinary Medicine, Mansoura University, Egypt; 2005-2010)

☒ Member of the clinical studies board, College of Veterinary Medicine, King Faisal University, Saudi Arabia (2010 - till now)

☒ Section coordinator for the quality assurance and accreditation "Department of Medicine and Infectious diseases, Mansoura University, Egypt (2005-2009).

☒ Vice president of reports and information committee 2009-2010, *College of veterinary medicine King Faisal University*

☒ Chairman of Reports and Information Committee. 2010-till now. *College of veterinary medicine, King Faisal University*

☒ Member in Budget Committee. *College of veterinary medicine, King Faisal University (2012)*

☒ Vice President of Day One Skills scientific Committee. *College of veterinary medicine, King Faisal University, from 2010 till now.*

☒ Member of Veterinary Hospital Development Committee. *King Faisal University*

☒ Member of post graduate Scientific Committee. *King Faisal University form 2013 till now.*

☒ Member of quality assurance and accreditation committee 2013 till now.

- ☒ Member of Scientific committee of college of veterinary medicine and animal resources, 2014.
- ☒ Chairman of continuous education and training unit, College of Veterinary Medicine, King Faisal University, 2016 till now.

Published Books and in press

- ☒ **Camels in Asia and North Africa** "*Interdisciplinary Perspectives on Their Past and Present Significance*" (Austrian Academy of Science, Vienna, Austria, Europe, OAW). 2012.
- ☒ **Day One skills**, King Faisal University, College of Veterinary Medicine, Saudi Arabia
- ☒ **Oxidative stress biomarkers in Farm animals Medicine**, King Faisal University press, 2018.

Television Program

1. General meeting about swine influenza in Al-Bdr T.V. 2009.
2. TV program on Alee TV and transmitted to other Satellite" 19-3-2015" regarding Pet animals' diseases and management.

Awards

A. Research activities

1st

The Best Researcher award in Mansoura University

Year

2006

2 nd	Prize of international publication of the research articles in the international journals with high impact factor
Year	2009 (Mansoura University)
3 rd	"Excellence Award" for international publication of the research articles in the international journals with high impact factor
Year	2010 (Mansoura University)
4 th	"Excellence Award" for international publication of the research articles in the international journals with high impact factor
Year	2012 (Mansoura University)
5 th	Prize of international publication of the research articles in the international journals with high impact factor
	2013 (King Faisal University)
6 th	Prize of international publication of the research articles in the international journals with high impact factor
Year	2014 (King Faisal University)
7 th	Prize of international publication of the research articles in the international journals with high impact factor
Year	2015 (King Faisal University)
8 th	Al-Marai Award for The Excellent Researcher in the Field of Veterinary Medicine
Year	2015
9 th	The Distinguished Faculty Member Award, KFU
Year	2016
B. Community activities	
1 st	Certificate of appreciation, Vice President for Community Services, Mansoura University, Egypt (2005)
2 nd	Certificate of appreciation, Vice President for Community Services, faculty of medicine, Mansoura University, Egypt (2006)
3 rd	Certificate of appreciation, Vice President for Community Services, Mansoura University, Egypt (2006)

4 th	Certificate of appreciation, Vice President for Community Services, Mansoura University, Egypt (2007)
5 th	Certificate of appreciation, Vice President for Community Services, Mansoura University, Egypt (2008)
6 th	Certificate of appreciation from Deanship of Academic development, King Faisal University, Saudi Arabia 2013.
7 th	Certificate of appreciation from Deanship of student affairs, King Faisal University, Saudi Arabia 2013.
8 th	Certificate of appreciation from Deanship of student affairs, King Faisal University, Saudi Arabia 2014.
9 th	Certificate of appreciation from Development of community engagement Unit, King Faisal University, Saudi Arabia 2014
10 th	Certificate of appreciation from Agricultural training center- Al-Ahsa 2015.
11 th	Certificate of appreciation from Ministry of Agricultural, KSA for the Effective Training Programs in Al-Gof, Central and eastern Regions KSA.
C. Post graduate awards	
1 st	Award of Appreciation and distinguished student from the College of Veterinary Medicine, Zagazig University, Zagazig, Egypt (1997)
