

STUDY PLAN (REVISED PROGRAM)

Level	Course Code	Course Title	Required or Elective	Pre-Requisite Courses	Credit Hours	Type of requirements (Institution, College or Department)
First Semester	3100206	Anatomy and Physiology I	Required	---	3	Applied Med Science
	3100103	Chemistry for Health Sciences	Required	---	3	Applied Med Science
	3100110	Academic Writing 1	Required	---	3	Applied Med Science
	3100111	Biostatistics for Health Sciences	Required	---	3	Applied Med Science
	3100102	Medical Terminology	Required	---	3	Applied Med Science
	3100012	Computer Application in Health Sciences	Required	---	3	Applied Med Science
Second Semester	3100108	Psychology for Health Sciences	Required	---	3	Applied Med Science
	3100103	Principles of Epidemiology	Required	---	3	Applied Med Science
	3100104	Anatomy and Physiology II	Required	---	3	Applied Med Science
	3100301	Man, Health, & Environment	Required	---	3	Applied Med Science
	3100109	Academic Writing 2	Required	---	3	Applied Med Science
	3102202	Microbiology for Health Sciences	Required	---	3	Applied Med Science
Third Semester	1900101	Creed and Doctrines	Required	---	2	University
	3101201	Human Development	Required	3100108	2	Nursing
	3101205	Math For Nurses	Required	---	3	Nursing
	3101208	Essential Concepts of Nursing	Required	---	3	Nursing
	3101215	Nursing Skills & Technologies	Required	---	4	Nursing

Level	Course Code	Course Title	Required or Elective	Pre-Requisite Courses	Credit Hours	Type of requirements (Institution, College or Department)
	3101220	Basic Nutrition for Wellness	Required	---	2	Nursing
	3101225	Principles & Strategies in Health Education	Required	---	2	Nursing
	3101226	Ethical in Nursing & Health Care	Required	---	2	Nursing
Fourth Semester	1900103 1900104 1900105 1900106 1900107 1900108	Elective University Requirement 1	Elective	---	2	University
	3101227	Quality Management & Patient Safety in Nursing	Required	---	2	Nursing
	3101230	Nursing Informatics & Health Care Technologies	Required	---	3	Nursing
	3101235	Inter-professional Education, Communication, & Collaborative Practice	Required	---	3	Nursing
	3101240	Health Assessment & Promotion	Required	---	4	Nursing
	3101245	Pathophysiology for Nursing Practice	Required	---	3	Nursing
	3101250	Pharmacology & Therapeutics	Required	---	3	Nursing
Fifth Semester	1900109 1900110 1900111 1900112 1900113 1900114	Elective University Requirement 2	Elective	---	2	University
	3101300	Provider of Care 1A: Nursing Management of Adult & Older Clients	Required	3101215 3101245 3101250	9	Nursing

Level	Course Code	Course Title	Required or Elective	Pre-Requisite Courses	Credit Hours	Type of requirements (Institution, College or Department)
	3101315	Provider of Care 2: Nursing Management of Mothers, Newborns, & Their Families	Required	---	6	Nursing
	3101325	Scholarly Inquiry	Required	---	3	Nursing
Sixth Semester	3101335	Provider of Care 3: Nursing Management of Children & Their Families	Required	3101300	6	Nursing
	3101345	Leadership & Management in Clinical Nursing Environments	Required	---	3	Nursing
	3101346	Genetics in Nursing Practice	Required	---	2	Nursing
	3101350	Provider of Care 4: Management of Clients with Psychiatric & Mental Health Conditions	Required	3101315	6	Nursing
Seventh Semester	1900102	Islamic Culture	Required	---	2	university
	3101425	Provider of Care 5: Health Promotion & Service to the Community	Required	3101315 3101335 3101340	6	Nursing
	3101445	Provider of Care 6: Advanced Nursing Management of Critically Ill Clients	Required	3101315 3101335 3101340	6	Nursing
	3101450	Role Transition to Professional Nursing (w/capstone project)	Required	3101345	3	Nursing
	3101460	Integrated Nursing Review	Required	---	2	Nursing
Eight & Ninth Semester	3101500	Internship Program	Required	Semester 1 to 7 courses	---	Nursing
