

CV Summary

Abderrahim JAMARI
Associate Pr : LINGUISTICS

Education

My education started in Morocco, where I obtained my bachelor degree in English Language and Literature. I then went to the University of London, where I did my Master's and PhD degrees. Over the years, my research interests spanned a number of fields. These are:

- **Linguistics:** Arabic Syntax, Comparative Semitic and Romance Syntax.
- **Teaching of English as a Foreign Language :** Grammar, Writing
- **Computational Linguistics:** Syntactic Parsing, Machine Translation
- **Communication :** Translation, Business Communication, Professional Business Writing .

Selected publications

Jamari, A. (1987) ‘ Definiteness and Genitive Case Assignment,’ in Fassi-Fehri et al ed., Proceedings of the First International Conference of the Moroccan Society of Linguistics, Okad, Rabat..
