Docket no.

طلب تسجيل براءة اختراع - مبدئي
Patent application request form (Preliminary)

1. Title of the invention عنوان الاختراع

2. Field of the invention مجالات الاختراع

Food security and environmental sustainability الامن الغذائي والاستدامة البيئية

chemical and biomolecular sciences العلوم الكيميائية والبيوجزيئية

Physical sciences and engineering العلوم الفيزيائية والهندسية

Computer sciences علوم الحاسب

Pharmaceutical, medical and Veterinary Sciences العلوم الطبية والصيدلانية والبيطرية

Other

3. Corresponding inventor

Name اسم المخترع المرسل

Affiliation جهة العمل

Job title المسمى

الوظيفي

About Co-inventors

Is there co-inventors who are not affiliated to King Faisal university

If yes, please write the name and addresses of the collaborating institutions

Is there previous
interaction with a third
party for this work

Yes

No

Explain briefly the novelty of this work and if this work has
any related previous art

List any commercial entities that might be interested in this invention

This invention funding was from

King Faisal University

KACST

RDO

Sabik

There was no specific funding agent

Aramco

Other, please specify the name and address of the funding agent
