

## **Instructions for students in the hospital**

1. Arrive on time
2. Present yourself neatly dressed and groomed, in the Grey suit and you must wear your white coat with your name badge.
3. Never Look In Files or Reports without Permission.
4. Never perform any examination during your rotation without supervision.
5. Do not ever examine any gynecologic patient in any way when you are alone.
6. All the attending activities will be recorded and signed in the log book by the responsible resident or consultant or staff member.
7. Bring your own instruments (stethoscope).
8. The student must also demonstrate a sense of responsibility to patients, colleagues and the health care team.
9. If you attend with such behavior, you will presumably have the rapport and trust of the patient and the health care team to get permission to take a new patient history and /or perform exams.
10. You should make progress notes for your cases, which are daily notes written to document status of current problems and identifying new problems. Your writing should be legible with attention to detail.

## Distribution of the Student Groups per each Batch at Hospital

All the students should sign the plan

*Details of the student distributed will be declared per each rotation*

7. Preterm labor	7. Primary infertility
8. Postdate	8. Secondary infertility
9. PROM	9. Leucorrhea
10. Placenta previa	10. Genital prolapse
11. Accidental hemorrhage	11. Fibroid
12. Previous cesarean	12. Ovarian cyst
13. Precious baby	

## Student Classifications

Attendance will be in weeks 2,3,4,6,7,8 of the rotation. The students are divided into 4 groups, A, B ,C and D and Each is divided into 2 sub groups 1, 2. Capital letters are days of typical hospital activities on Saturday, Monday and Tuesday. Small letters are free days (Sunday and Wednesday) where each one can do and join areas to complete his activities. Student assigned to wards (sub groups 1) will attend at 7.30 to **start their activities within the Rules of the hospital, Regulations of the Nursing Staff and Patient Rights that are printed in each ward.**

Student assigned to other activities (sub groups 2) will attend according to the rules and schedules of these places in the hospital, until finished then they should join their colleagues at 9.30 for case discussions **with the assigned tutor.**

Long cases will be discussed and finished followed by either scenarios of short cases or differential diagnosis and problem solving sessions. All these activities will be reported and commented on in the Log Book and satisfaction records.
