

# Division of Otorhinolaryngology

Division of **Otorhinolaryngology** is one of the largest Divisions among Department of Surgery. The division aims in achieving the educational goals and objectives of the courses to the maximum. The courses designed not only to give the basic knowledge but also to impart their clinical and functional correlation to students.

The Division teaches the following sections in clinical rounds:

- Diseases of the ear
- Diseases of the nose and the paranasal sinuses
- Diseases of the pharynx
- Audiology
- Diseases of the larynx
- Speech therapy

The Division has excellent simulation Lab facilities including temporal simulation set and models for ENT anatomy.
