

# Division of Radiology

Division of **Radiology** is one of the Divisions among Department of Surgery. The division aims in achieving the educational goals and objectives of the courses to the maximum. The courses designed not only to give the basic knowledge but also to impart their clinical and functional correlation to students.

The Division teaches the following topics in clinical rounds:

- The basics of radiology
- A general idea of all the imaging modalities to help in the selection of the proper modality for a particular clinical problem.
- The common radiological pathologic entities.
