

Master's in Educational Leadership

College of Education

King Faisal University

Program Name	Master's in Educational Leadership
---------------------	------------------------------------

1. Introduction

Managers and leaders in K-12 settings must take a student-focused and outcomes-based approach to ensuring quality in programs, services, and other aspects of the education experience. In the Master of Educational Management program, students will explore foundations and principles of leadership and management, the organization and structure of K-12 and higher education in the Kingdom, research supporting efficient and effective management of educational institutions, as well as trends and issues facing K-12 and higher education institutions. The primary objective of the program is to prepare students to be effective leaders and managers within K-12 and related governmental agencies in order to assure institutional quality and achieve success in organizational and student outcomes.

3. Admission Requirements

In addition to what is stated in the university graduate regulations, the educational department adds the following conditions:

- The applicant has a regular bachelor's degree. The program does not accept a bachelor's degree in affiliation or distance education.
- Applicants must obtain 70% or above of the cumulative average in the bachelor's degree in one of the educational specialties.
- Applicants must obtain 70% or above of the cumulative average in the bachelor's degree in any non-educational specialization with the requirement to obtain a general diploma in education with a grade of 70% or above the cumulative average.

- Applicants must obtain 70% or higher in the university's aptitude test, which is evaluated by the National Center for Measurement and Evaluation.
- After the first conditions are met, the applicant is entitled to enter the written test that the department evaluates.
- The applicant must receive at least 70% in the written test. The department council is entitled to amend the percentage in case of non-passing.
- After achieving the first conditions and passing the written test by 70% or higher, the applicant qualifies for an interview that requires passing by 70%.
- Those who passed the personal interview will be ranked in descending order and candidates for admission will be awarded the highest students in the cumulative average in a school diploma.
