

## **Program of Scientific Chairs**

# **Incentives for Scientific Chairs Projects and the Allocation of their Supporting Funds at King Faisal University**

**1431 H - 2010 G**

His Excellency the Minister of Higher Education has approved the decision of the University Council in its fourth session of the academic year 1430/1431H, held on Monday 27/12/1430, to offer the following financial incentives for the drafted proposals and the allocation of grants for scientific chairs at King Faisal University.

## **Incentives for Preparation of Scientific Chairs Projects**

### **Individuals who submit a proposal for a Scientific Chair Project:**

1-Will have the priority to be appointed as Professor or Supervisor of the scientific chair when meeting the qualifications stipulated in the organizing bylaws of scientific chairs at King Faisal University.

2-Will receive a reward of 10,000 Saudi Riyals, provided that the project is approved and adopted by the Main Committee of Scientific Chairs. The reward will be paid from the university's budget based on article (13) of the Unified Bylaws of Scientific Research at Universities and their Implementation Regulations at King Faisal University.

3-When proposed projects are approved by the Main Committee of Scientific Chair, their names will be mentioned in the chair's publications and brochures and in the proceedings of seminars and meetings.

4-Will be honored as deemed appropriate by the university.

## **Incentives for Allocation of Funds for Scientific Chairs**

### **Individuals who allocate a financier of a scientific chair that is approved by the Main Committee of Scientific Chairs will be granted a reward as follows:**

- 1% of the funding value, up to 10,000,000 Saudi Riyals.
- 0, 5% of the funding value, if it exceeds 10,000,000 Saudi Riyals.

None of the above mentioned rewards will be paid until after approval by the Main Committee of Scientific Chairs and the endorsement of the President of the university.
